Education

BSc.

University: Farhangian

Major: Chemistry Education

Thesis: -

Supervisor: -

Msc.

University: Iran University of Science and Technology

Major: Nano Chemistry

Thesis: Synthesis, identification and optimization of bacterial cellulose (BC) as a nanocatalyst and investigating its characteristics

Supervisors: Prof. Azadeh Tadjarodi & Prof. Hossein Ghafuri

PhD

Thesis: -

Supervisors: -

Research Experience:

- Catalysts of chemical reactions
- Bacterial Cellulose Nano Fibers
- Pollutant Absorbers
