Education

BSc.

University: Imam Khomeini International University (IKIU)

Major: Materials Engineering-Industrial Metallurgy

Msc.

University: Sharif University of Technology (SUT)

Major: Nanotechnology-Nanomaterial

Thesis: Fabrication of transparent electrode by metallic nanofibers

Supervisor: Prof. S.K.Sadrnezhaad

Phd.

Major: Nanotechnology-Nanomaterial

Thesis:

Supervisor:

Research Interests:

Transparent and flexible electrodes

Electrochemical and optical sensors

Synthesis and characterization of align metallic and ceramic nanofibers

Synthesis of align graphene nanoribbons
